Penalty point description		Points
1	Trace interval > max interval allowed of 12 seconds.	0
2	Trace not submitted for scoring / verification	0
3	Start line not crossed, scored from closest point with penalty.	-50

Director's notes:

(1) This was a day when we could unfortunately not launch the entire grid. Even with the Lambada helping out, and with Johnny Navarro on hand to 'patch' NIG back together strain of launching the field 'exhausted' the Citabria!

(2) Fortunately, the "Le Mans" start rule allowed the bulk of the field to get airborne and put in good distances (3 over 700km).

(3) Not a competition Day.
